Guia de Un Astronauta Para Vivir En La Tierra

Chris Hadfield

Guia de Un Astronauta Para Vivir En La Tierra Chris Hadfield

Colonel Hadfield has spent decades training as an astronaut. During this time he has broken into a Space Station with a Swiss army knife and been temporarily blinded while clinging to the exterior of an orbiting spacecraft. The secret to Col. Hadfield's success-and survival-is an unconventional philosophy: prepare for the worst-and enjoy every moment of it.

About the Author

Chris has a decade of experience as an Automotive Technology instructor at secondary and post-secondary schools, including department chair and program coordinator positions. Before teaching, Chris was a master certified automotive technician working for a GM dealership, an independent, a retail store, and owning his own business. Chris has a Bachelor's of Science degree in Automotive Engineering Technology, with a minor in Manufacturing Engineering Technology from Minnesota State University Mankato and he has a Master's of Education degree in Community College Teaching and Learning from the University of Illinois Urbana Champaign Providing a rare combination of high school and college teaching expertise, along with hands-on experience from the shop, Mr. Hadfield lends his critical eye to a variety of Delmar-Cengage Learning automotive publications, including Today's Technician: Basic Automotive Service & Systems and Automotive Service Job Sheets for NATEF Task Mastery. Mr. Hadfield holds an EdM from University of Illinois and a BS in Automotive Engineering Technology from Minnesota State University. He is also ASE Master Certified and ASE L1 Advanced Engine Performance Certified.
